God's Ways Are Higher

Revelation 1:8, Isaiah 55:9, Psalm 108:4

Share a time that you went your way instead of God's way and the result of that.
(The leader can share a personal story to start the discussion)

What about a time you went God's way?
(Again leader can share)

What are some consequences of disobedience that you have seen in your life?

What are some of your idols that get in the way of worshipping God?

Tapestry example: When a weaver weaves a tapestry, every thread is needed and has a purpose. Some threads are brilliant colors that are easily seen by everyone, but some threads are more hidden and not as easily visible, yet equally important. Only the weaver knows the reason and purpose behind each thread. Only the weaver knows what the final tapestry will look like when finished. God is weaving your tapestry.
