# DISCIPLESHIP PATHWAY

A **Discipleship Pathway** is a series of next steps intended to help non-believers, new believers, mature believers, and everyone-in-between move from where they are to where God wants them to be. It allows the whole church to unify around evangelism and discipleship. Ultimately, it helps us do what matters most in God's kingdom—follow Jesus and help others do the same.

Want to know more? Click on the picture about to Watch a video explanation and read our illustrative story Why a Discipleship Pathway Matters. You can also checkout which of our ministries connect to each spiritual step in our newly modified website.

## THANK YOU!

Joe and I would like to express our heartfelt thanks to all in our church family who have prayed for us, laughed with us, cried with us, fed us and in all ways taken care of us through the last year and a half of cancer treatments, losing my Dad and most recently my Mom. God is always faithful - past, present and future. It is through Cornerstone that we have seen Gods faithfulness, love and care. We are praising Him through sorrow that my Mom and Dad are together and with joy that I am cancer free!

1 Thessalonians 5:16-18

Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.

## WE ARE GETTING NEW CHAIRS!!

Someone has graciously donated new COMFY chairs for the sanctuary. These new chairs are due to arrive sometime in **Mid-March**. We will be given an advanced notice of **24-48 hours** before the delivery time. At this time, we will be sending out an **email for help!!** Below is an email from the manufacturer...

"Please make special note that all deliveries are **"Tailgate Delivery"**. It is the receiver's responsibility to unload the chairs and move them inside the building. If you do not have a loading dock it will be necessary to unload off the back of the truck. The Chairs are generally shipped in stacks of 10 to 14 chairs. The chairs are set in a small steel skid and wrapped in cardboard and then shrink wrapped. Stacks of chairs weigh between **250 and 300 pounds**. The driver will bring the stacks to the end of truck and it will require several individuals to unload and move into your facility."

We need many hands to unload the chairs and bring them inside. Watch out for the email, and join in helping! **Thank you!!**
